

2022 IMPACT REPORT

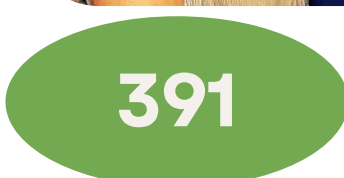

It Takes A Village.

As a 501c3 non-profit in our fourth year of operation, VillagesOKC orchestrated 3,282 in-person connections through events, meetups, parties and workshops. The result of these connections has included many strong relationships, job opportunities, and purpose in our community.

Our Core Values

learning connections in 27 locations: Brain Academy, iPhone Workshops, See the City & NewView tours.

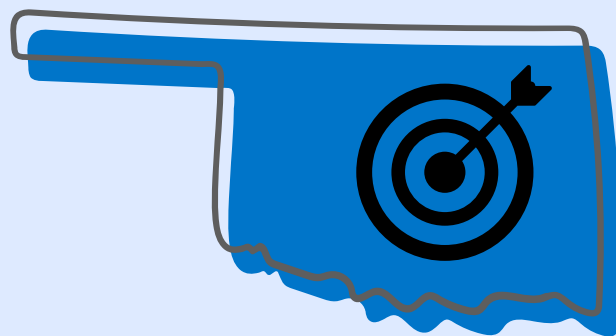

planning connections in businesses, churches, retirement communities and banks.

serving connections through Veteran Pinning and CareGiver Ambassadors.

370,000

“

I had so many questions that were answered by the guest professionals.

It's truly a gift. Everyone over 18 should take the workshop!

The GIFT Workshop allows a small group of people to learn, discuss and record decisions about important matters: legal, financial, medical, personal, downsizing, and even passwords in an easily updated personal notebook.
